PROPERTY DESCRIPTION

This elegant modern villa is located in the surroundings of Split. The property is beautifully positioned on the hill which allows unobstructed panoramic view of the Adriatic Sea and the islands. Approximately 300 m2 of modern space is designed with floor to ceiling windows that open the living space to outside light and provide seamless connection with the outside dining and lounge area. The infinity pool is connected with the lounge and dining area on the covered terrace, which allows all year round Mediterranean outdoor lifestyle.

Total built area: 343 sqm from which interior 252 sqm and covered terraces 90 sqm.
